D. SUBMISSION OF TENDERS

16. Sealing and marking of Tenders

16.1 The Tenderers shall upload the tender through e-procurement platform. No other mode of submission is permitted. The Tender manually prepared shall be then scanned and uploaded on the Karnataka Public Procurement Portal https://kppp.karnataka.gov.in, the system generates a unique Tender identification number which is time stamped as per server time. This shall be treated as acknowledgement of tender submission. Tenderer shall submit the bids electronically before the submission date and time published in e-procurement portal.

16.2 Telex, Cable or Facsimile or email Tenders will be rejected.

16.3 Offers shall be as per the "Instructions to Tenderers", "General Conditions of Contract" and "Special Conditions of Contract" given in the Tender documents. Each page of the Tender shall be signed and stamped by the Authorized Signatory of the Tenderer.

16.4 The Tenderer should avoid ambiguity in his offer/Tender/Bid.

16.5 Tender document is not transferable and the party to whom Tender has been sold can only quote/submit their Offer against the Tender. Tenderer cannot authorize any other party on his behalf. All correspondence will be made with the Tenderer to whom Tender document has been sold.

17. Deadline for submission of the Tenders

17.1 Tenders must be uploaded by the Tenderers no later than the time specified in the calendar of events as per server time through the e-procurement platform. The e-procurement platform will not accept the tenders after the stipulated date and time (as per the time of the e-procurement platform).

17.2 The Employer may, at its discretion, extend this deadline for submission of Tenders by issuing an amendment in accordance with ITT Clause 7, in which case all rights and obligations of the Employer and the Tenderers previously subject to the original deadline will thereafter be subject to the deadline as extended. The amendment/notification shall be notified only in the e-procurement platform.

18. Late Tenders

18.1 Tenders cannot be uploaded by the tenderers after the deadline for submission /uploading of tenders (as per the e-procurement platform time) prescribed by the Employer, pursuant to ITT clause 17

19. Modification and Withdrawal of Tenders

19.1 In the "My tenders" Section of the e-procurement, the Tenderer can view the status of their bids and decrypt bid (i.e., in cases where the tenderer has chosen to encrypt the bid using his own public key) for modification or withdrawal before the stipulated date and time for submission /uploading.

19.2 Tenderer may cancel/modify their bids online before the deadline for submission of bids.

19.3 For modification of bids, the tenderer need not make any additional payment towards the cost of tendering process. For bid modification and consequential re-submission, the tenderer is required to cancel his bid submitted earlier (only the financial bid is cancelled. All the uploaded documents would be there). The last modified bid submitted by the tenderer within the bid submission time shall be considered as the bid. For this purpose, modification / withdrawal by other means will not be accepted. In online system of bid submission, the modification/c cancellation is allowed any number of times. The tenderers may cancel its bid by clicking on the cancel button in the My Bids Section before the deadline for submission of bids, however if the bid is cancelled and not re-submitted with the stipulated time on the last date of submission of bids, it would have deemed withdrawn.

19.4 No bid is allowed to be modified / cancelled online after the deadline for submission of bids.

19.5 Withdrawal or modification of a Tender between the deadline for submission of Tenders and the expiration of the original period of Tender validity specified in ITT Sub-clause 13.1 above or as extended pursuant to ITT Sub-clause 13.2 may result in the forfeiture of the Earnest money deposit pursuant to ITT Clause 14.8.

E. TENDER OPENING AND EVALUATION

20. Tender opening

20.1 Opening of Qualification cum Technical Bid of all Tenderers and Evaluation to determine qualified Tenderers:

20.1.1 The Company will open all / unlock all the technical bids uploaded through e-procurement platform as per the schedule. In the event of the specified date of Tender opening being declared a holiday for the Company, the Tenders will be opened at the appointed time on the next working day

20.1.2 The Employer shall prepare Minutes of the Tender opening, including the information disclosed to those present.

20.1.3 The Employer will evaluate and determine whether each Tender (a) meets the eligibility criteria defined in ITT Clause 2; (b) meets the minimum qualification criteria stipulated in ITT Clause 3. The Employer will draw out a list of qualified Tenderers.

20.1.4 **Return of Tender Security/Earnest Money Deposit (EMD)**

BMRCL will return the Tender security/EMD of unsuccessful Tenderers within 30 days of declaration of result of First Stage i.e., Technical Evaluation.

20.2 **Opening of: Financial bid of Qualified Tenderers**

20.2.1 The Employer will inform all the Qualified Tenderers the time, date and venue fixed for the opening of the Financial Bid containing the priced Tenders. The Employer will open the Price Bid of only the technically qualified Tenderers at the appointed time and date in the presence of the Tenders or their representatives who choose to attend in e-procurement portal. In the event

of the specified date of Financial Bid/Price. Bid opening being declared a public holiday, the Price Bid shall be opened on the next working-day at the appointed time

20.2.2 Any modifications of the Price Bid shall be in the e-Procurement Portal itself and shall be opened along with the Price-Bid in e-Procurement Portal itself.

20.2.3 The Tenderers names, the Tender prices, the total amount of each Tender, any discounts, Tender modifications and withdrawals, and such other details as the Employer may consider appropriate, will be announced by the Employer at the opening. No Tender shall be rejected at Tender opening.

20.2.4 The Employer shall prepare Minutes of the Price Bid Tender opening, including the information disclosed to those present in accordance with ITT Sub-clause 20.2.3. The proceedings of the same shall be uploaded on e-Procurement Portal https://kppp.karnataka.gov.in

21. Process to be confidential

21.1 Information relating to the examination, clarification, evaluation, and comparison of Tenders and recommendations for the award of a Contract shall not be disclosed to Tenderers or any other persons not officially concerned with such process until the award to the successful Tenderer has been announced. Any effort by a Tenderer to influence the Employer's processing of Tenders or award decisions may result in the rejection of his Tender.

22. Clarification of Tender submittals

22.1 To assist in the examination, evaluation, and comparison of Tenders, the Employer may, at his discretion, ask any Tenderer for clarification of his Tender, including break up of unit rates. The request for clarification and the response shall be in writing or by cable, but no change in the price or substance of the Tender shall be sought, offered, or permitted except as required to confirm the correction of arithmetic errors discovered by the Employer in the evaluation of the Tenders in accordance with ITT Sub-clause 24.

22.2 Subject to ITT sub-clause 22.1, no Tenderer shall contact the Employer on any matter relating to its Tender from the time of the Tender opening to the time the Contract is awarded. If the Tenderer wishes to bring additional information to the notice of the Employer, it should do so in writing.

22.3 Any effort by the Tenderer to influence the Employer in the Employer's Tender evaluation, Tender comparison or Contract award decisions may result in the rejection of the Tenderer's Tender.

23. Examination of Tenders and determination of responsiveness

23.1 The Employer will examine the Tenders to determine whether they are complete, whether any computational errors have been made, whether required sureties have been furnished, whether the documents have been properly signed, and whether the Tenders are generally in order.

The Employer may waive any minor informality or non-conformity or irregularity in a Tender which does not constitute a material deviation, provided such a waiver does not prejudice or affect the relative ranking of any Tenderer.

23.2 A substantially responsive Tender is one which conforms to all the terms, conditions, and specifications of the Tender documents, without material deviation or reservation. A material deviation or reservation is one (a) which affects in any substantial way the scope, quality, or performance of the Works; (b) which limits in any substantial way, inconsistent with the Tender documents, the Employer's rights or the Tenderer's obligations under the Contract; or (c) whose rectification would affect unfairly the competitive position of other Tenderers presenting substantially responsive Tenders.

23.3 If a Tender is not substantially responsive, it will be rejected by the Employer, and may not subsequently be made responsive by correction or withdrawal of the nonconforming deviation or reservation.

24. Correction of errors

24.1 Tenders determined to be substantially responsive will be checked by the Employer for any arithmetic errors. Errors will be corrected by the Employer as follows:

(a) where there is a discrepancy between the rates in figures and in words, the **words will govern**; and

(b) where there is a discrepancy between the unit rate and the line item total resulting from multiplying the unit rate by the quantity, the unit rate as quoted will govern, unless in the opinion of the Employer there is an obvious gross misplacement of the decimal point in the unit rate, in which case the line item total as quoted will govern and the unit rate will be corrected.

24.2 The amount stated in the Tender will be adjusted by the Employer in accordance with the above procedure for the correction of errors and shall be considered as binding upon the Tenderer. If the Tenderer does not accept the corrected amount the Tender will be rejected, and the Earnest money deposit may be forfeited in accordance with ITT Sub-Clause 14.8.

25. Evaluation and comparison of Tenders

25.1 The Employer will evaluate and compare only the Tenders determined to be substantially responsive in accordance with ITT Clause 23. No Tender will be considered if complete requirements covered in the Schedule is not included in the Tender.

25.2 In evaluating the Tenders, the Employer will determine for each Tender the evaluated Tender Price by adjusting the Tender Price as follows:

(a) Making any correction for errors pursuant to ITT Sub-clause 24; and

(b) Making appropriate adjustments to reflect discounts or other price modifications offered.

25.3 The Employer reserves the right to accept or reject any variation, deviation, or alternative offer. Variations, deviations, and alternative offers and other factors which are in excess of the requirements of the Tender documents or otherwise result in unsolicited benefits for the Employer shall not be taken into account in Tender evaluation.

25.4 The Tenders received will be evaluated by the Employer to ascertain the lowest acceptable Tender in the interest of the Employer, as specified in the specification & Scope of Work and Tender documents. Evaluation criteria not mentioned herein but mentioned specifically in the technical specifications will be taken into consideration in the evaluation of offers.

25.5 The estimated effect of the price adjustment conditions, under relevant Clause of the General Conditions of Contract, during the implementation of the Contract, will not be taken into account in Tender Evaluation

25.6 If the Tender of the successful Tenderer is seriously unbalanced in relation to the Employer's estimate of the cost of the work to be performed under the Contract, the Employer may require the Tenderer to produce detailed price analysis for any or all items of the Bill of Quantities, to demonstrate the internal consistency of those prices with the work methods and schedule proposed. After evaluation of the price analysis, the Employer may require that the amount of the Performance Security set forth in ITT Clause 30 be increased at the expense of the successful Tenderer to a level sufficient to protect the Employer against financial loss in the event of default of the successful Tenderer under the Contract, subject to conditions as specified in Special Conditions of Contract.

F. AWARD OF CONTRACT

26. Award criteria

26.1 Subject to ITT Clause 28, the Employer will award the Contract to the Tenderer whose Tender has been determined to be substantially responsive to the Tender documents and who has offered the lowest evaluated Tender Price, provided that such Tenderer has been determined to be

(a) Eligible in accordance with the provisions of ITT Clause 2, and

(b) Qualified in accordance with the provisions of ITT Clause 3.

27. Employer's right to vary Quantities during the Contract

27.1 The Employer reserves the right during the pendency of Contract to increase or decrease the quantity of the items originally specified in the Bill of Quantity without any change in unit price or other terms and conditions as defined in GCC Clause 34 and the respective Special Conditions of Contract.

28. Employer's right to accept any Tender and to reject any or all Tenders

28.1 Notwithstanding ITT Clause 26, the Employer reserves the right to accept or reject any Tender, and to cancel the Tender process and reject all Tenders, at any time prior to the award of Contract, without thereby incurring any liability to the affected Tenderer or Tenderers or any obligation to inform the affected Tenderer or Tenderers of the grounds for the Employer's action.

28.2 BMRCL reserves the right to accept the Tender in part or full which is monetarily beneficial to BMRCL. BMRCL's decision in this regard shall be final and binding.

29. Notification of award and signing of Agreement

29.1 The Tenderer whose Tender has been accepted will be notified of the Award by the Employer prior to expiration of the Tender validity period by cable, email, telex or facsimile confirmed by registered letter. This letter (hereinafter and in the General Conditions of Contract called the "Letter of Acceptance") will state the sum that the Employer will pay the Contractor in consideration of the execution, completion of the Works by the Contractor as prescribed by the Contract (hereinafter and in the Contract called the "Contract Price").

29.2 The notification of award will constitute the formation of the Contract, subject only to the furnishing of a performance security in accordance with the provisions of ITT Clause 30.

29.3 The Agreement will incorporate all agreements between the Employer and the successful Tenderer within 30 days of issue of LOA, the successful Tenderer will be required to execute the Contract Agreement and deliver it to the Employer.

29.4 Upon the furnishing of the Security deposit by the successful Tenderer, the Employer will promptly notify the other Tenderers that their Tenders have been unsuccessful and will discharge its Earnest Money Deposit, pursuant to ITT Clause 14.

29.5 The cost of stamp duties & similar charges imposed by law shall be borne by the Contractor.

30. Security deposit / Performance Security

30.1 Within 20 days of receipt of the Letter of Acceptance, the successful Tenderer shall deliver to the Employer, a Security deposit in accordance with GCC Clause 25 and format given in **Proforma B of Section IX** for an amount as specified in 'Appendix to Form of Tender' (Section IV).

30.2 Failure of the successful Tenderer to comply with the requirements of ITT Sub-Clause 30.1 shall constitute sufficient grounds for cancellation of the award and forfeiture of the Earnest money deposit.

31. Corrupt or Fraudulent practices

31.1 The BMRCL requires that the Tenderers observe the highest standard of ethics during the procurement and execution of such Government financed Contracts. In pursuance of this policy, BMRCL:

(a) defines, for the purposes of this provision, the terms set forth as follows:

(i) "Corrupt practice" means the offering, giving, receiving or soliciting of anything of value to influence the action of a public official in the procurement process or in Contract execution; and

(ii) "Fraudulent practice" means any omission by misrepresentation of facts in order to influence a procurement process or the execution of a Contract to the detriment of BMRCL/Government and includes collusive practice among Tenderers (prior to or after Tender submission) designed to establish Tender prices at artificial non-competitive levels and to deprive BMRCL of the benefits of free and open competition.

(b) Will reject a proposal for award if it determines that the Tenderer recommended for award has engaged in corrupt or fraudulent practices in competing for the Contract in question;

(c) Will declare a firm ineligible, either indefinitely or for a stated period of time, to be awarded a Government financed Contract, if it at any time determines that the firm has engaged in corrupt or fraudulent practices in competing for, or in executing, a Government financed Contract.

31.2 Furthermore, Tenderers shall be aware of the provision stated in GCC sub-clause 46.2.

32. One Tender per Tenderer

Each Tenderer shall submit only one Tender. A Tenderer who submits or participates in more than one Tender (other than as a subcontractor or in cases of alternatives that have been permitted or requested) will cause all the proposals with the Tenderer's participation to be disqualified.

33. Site visit

The Tenderer at his own responsibility and risk is encouraged to visit and examine the Site of Works and its surroundings and obtain all information that may be necessary for preparing the Tender and entering into a contract for Technology upgradation of Elevators. The cost of visiting the Site shall be at the Tenderer's own expense.

33.1 The Tenderers are requested to satisfy themselves regarding the availability of water, requirement of electricity, nature and location of work, the configuration of the ground, the type, quality and quantity of the materials, the type of equipment and facilities needed preliminary to and during the progress of the services. He should also assess the law-and-order situation, the general and local conditions, the labour conditions prevailing there in and all other matters which can in any way affect the services under Contract. The Tenderer will be fully responsible for the financial effect of any or all the above factors in his rates including also the factors like age of equipment's, types of works, Working Environment, furniture, etc. installed in BMRCL campus. **No compensation will be given on account of ignorance of any of the factors during execution of the works.**

33.2 The Tenderer and any of his personnel or agents will be granted permission by the Employer to enter upon their premises and lands for the purpose of such inspection, but only upon the express condition that the Tenderer, his personnel and agents will release and indemnify the Employer their personnel and agents from and against all liabilities in respect thereof and will be responsible for personal injury (whether fatal or otherwise), loss of or damage to property and any other loss, damage, costs and expenses however caused which but for the exercise of such permission would not have arisen.

33.3 Before submitting a Tender, the Tenderer will be deemed to have satisfied himself by actual inspection of the site and locality of the works, that all conditions liable to be countered during the execution of the works are taken into account and that the rates the Tenderer enters in the Tender forms are adequate and all inclusive for the completion of work to the entire satisfaction of the Employer.

33.4 Not Used

33.5 While all efforts have been made to avoid errors in drafting the Tender documents & the Tenderer is advised to check the same carefully and seek clarification within the schedule period only. No claim on account of any errors detected in the Tender Document shall be entertained.

34. **Sufficiency of Tender**

(a) The Tenderer shall be entirely responsible for sufficiency of Prices quoted for the works.
(b) The Tenderer shall be paid for only at quoted/accepted Prices for the activities given in the Specifications/ Scope of work.
(c) The Tenderer shall be deemed to have satisfied himself before Tendering as to the correctness and sufficiency of his tender for the works and of the rates and prices quoted in the Bill of Quantities which rates and prices shall except as otherwise provided, cover all his obligations under the Contract and everything necessary for the proper completion of the works.

(d) If required Tenderer shall obtain clearances from concerned local authorities at his cost. The Tenderer shall also co-ordinate with any other agency working in the same project, compare plans, specifications and the time schedules and so arrange his work that there will be no interference. BMRCL shall entertain no claim on this account.
(e) The cost of any item for which Tenderer has failed to enter rate shall be deemed to be covered by other rates entered in the Bill of Quantities.

However, 'Performance Security' Bank Guarantee format is also available in http://tender.bmrc.co.in:90. In case furnishing of an acceptable Performance Security is delayed by the Contractor beyond the period provided in this clause, the Employer may forfeit the Earnest Money Deposit / Tender Security.

25.2 The Performance Security shall be valid up to six (06) months beyond the Entire Work. The Performance Security will be returned within six (06) months after satisfactory completion of works.

25.3 The Employer shall be entitled and it shall be lawful on his part to forfeit the amount of the Performance Security in whole or in part in the event of any default, failure or neglect on the part of the Contractor in the fulfillment or performance in all respects of the Contract under reference or any other Contract with the Employer.

The Employer shall also be entitled to deduct from the amount of the Performance Security any loss or damage which the Employer may suffer or be put by reason of or due to any act or other default, recoverable by the Employer from the Contractor in respect of the Contract under reference or any other Contract.

On occurrence of either of the aforesaid events, the Employer shall call upon the Contractor to maintain the amount of the Performance Security as its original limit by furnishing fresh Bank Guarantee of additional amount, provided further that the Employer shall be entitled to recover any such claim from any sum then due or which at any time thereafter may become due to the Contractor under this or any other Contracts with the Employer.

25.4 The Performance Security shall remain in full force and effect from the date of commencement of Contract up to 6 (six) months beyond the stipulated completion Period. This shall be suitably extended by the Contractor if all Contractual Obligations are not completed by the Contractor. Before the expiry of the date of validity of the Performance Security, the Contractor on being called upon by the Employer from time to time shall obtain from the Guarantee Bank, extension of time for validity thereof for a period of six months, on each occasion. The extension or extensions aforesaid, executed on non-judicial stamp paper of appropriate value must reach the Employer at least thirty days before the date of expiry of the Performance Security on each occasion.

25.5 As and when an amendment is issued to the Contract, the Contractor shall, within 15 days of the receipt of such an Amendment furnish to the Employer an amendment to the Performance

Security rendering the same valid for the Contract as amended and up to 6 months beyond amended Contract period. All expenses of this shall be borne by the Contractor.

25.6 The Performance Security and or any amendment thereto shall be executed on a non judicial stamp paper of requisite money value in accordance with the laws of the country in which the same is/are executed by the party competent to do so.

25.7 If the Contractor, having been called upon by the Employer to furnish Performance Security fails to furnish the same, it shall be lawful for the Employer:

(i) to recover from the Contractor, the amount of Performance Security by deducting the amount from the pending bills of the Contractor under any Contract with the Employer or the government or any other person Contracting through the Employer or otherwise however,

OR

(j) to cancel the Contract or any part thereof and to execute or authorize to execution of the Works at the risk and cost of the Contractor and in that event the provisions of Clause 47 & 48 shall apply as far as applicable.

26.1 The Contractor shall prior to commencing the works, effect and thereafter maintain insurances, in the joint names of the Employer and the Contractor, (cover from the first working day after the Start Date to the end of Contract Period), as stated in the 'Appendix to Form of Tender':

1. For loss of or damage to the Works, Plants and Materials and the Contractor's equipment.
2. For liability of both Parties for loss, damage, death and injury to third parties or their property arising out of the Contractor's performance of the Contract including the Contractor's liability for damage to the Employer's property other than the Works and
3. For liability of both Parties and of any Employer's representative for death and injury to the Contractor's personnel except to the extent that liability arises from the negligence of the Employer, any Employer's representative or their Employees.

26.2 Policies and certificates for insurance shall be delivered by the Contractor to the Employer for his approval before the Start Date. All such insurance shall provide for compensation to be payable to rectify the loss or damage incurred. All payments received from insurers relating to loss or damage shall be held jointly by the Parties and used for the repair of the loss or damage or as compensation for loss or damage that is not to be repaired.

26.3 If the Contractor fails to effect or keep in force any of the insurances referred to in the previous sub- clauses or fails to provide satisfactory evidence, Policies or receipts, the Employer may without prejudice to any other right or remedy, effect Insurance for the cover relevant to such default and pay the premiums due and recover the same as a deduction from any other monies due to the Contractor. If no payment is due, the payment of the premiums shall be a debt due.

26.4 Alterations to the terms of Insurance shall not be made without the approval of the Employer.

26.5 Both Parties shall comply with any conditions of the insurance policies.

C. Quality Control

27 Identifying defects

27.1 The Employer shall check the Contractor's work or in the course of the Elevator Technology Upgradation works and notify the Contractor of any Defects that are found. Such checking shall not affect the Contractor's responsibilities. The Employer may instruct the Contractor to search for a Defect and to uncover and test any work that the Employer considers may have a Defect.

28 Tests

28.1 If the Employer instructs the Contractor to carry out a test not specified in the Specification to check whether any work has a Defect and the test shows that it has a defect, the Contractor shall pay for the test and any samples. If there is no defect, the testing charges shall be borne by the Employer.

29 Correction of Defects

29.1 The Employer shall give notice to the Contractor of any Defects before the end of the Defects Liability Period, which begins at Completion and is defined in the 'Appendix to Form of Tender'. The Defects Liability Period shall be extended for as long as Defects remain to be corrected.

29.2 Every time notice of a Defect is given, the Contractor shall correct the notified Defect within the length of time specified by the Employer's notice.

30 Uncorrected defects

30.1 If the Contractor has not corrected a Defect within the time specified in the Employer's notice, the Employer will assess the cost of having the Defect corrected, and the Contractor will pay this amount or will be recovered from any monies due to the Contractor from the Employer including Performance Security.

31 Inspections and Tests

31.1 The Employer or its representative shall have the right to inspect and/or to test the materials or works of the contract to confirm their conformity to the Contract specifications at no extra cost to the Employer. Special Conditions of Contract and the Technical Specifications/ Scope of Work shall specify what inspections and tests the Employer requires and where they are to be conducted. The Employer shall notify the Contractor in writing in a timely manner of the identity of any representatives retained for these purposes.

31.2 Should any inspected or tested materials fail to conform to the specifications, the Employer may reject the materials or Works and the Contractor shall replace the material either replace the rejected materials or make alterations /rectifications necessary to meet specification requirements free of cost to the Employer.

31.3 The Employer's right to inspect test and, where necessary, reject the materials or Works at Project Site shall in no way be limited or waived by reason of the materials or Works having previously been inspected, tested and passed by the Employer or its representative prior to the dispatch of the materials.

31.4 Nothing in GCC Clause 31 shall in any way release the Contractor from any warranty or other obligations under this Contract.

32 Acceptance Certificates:

On successful completion of acceptability test, receipt of deliverables etc, and after the Employer is satisfied with the completion of the Works, the Acceptance Certificate signed by the Contractor and the representative of the Employer will be issued. The date on which such certificate is signed shall be deemed to be the date of successful acceptance of the Works.

D. Cost Control

33 Bill of Quantities (BOQ)

33.1 The BOQ shall contain items for the works to be carried out by the Contractor.

33.2 The BOQ is used to calculate the Contract Price. The Contractor is paid for the quantity of the work done at the rate in the BOQ for each item.

34 Variations

34.1 The Employer shall have power to order the Contractor to do any or all of the following as considered necessary or advisable during the progress of the work by him.

For the purpose of this paragraph:

(i) "Corrupt practice" means the offering, giving, receiving or soliciting of anything of value to influence the action of a public official in the procurement process or in contract execution.

(ii) "Fraudulent practice" means any omission or misrepresentation of facts in order to influence a procurement process or the execution of a contract to the detriment of the BMRCL, and includes collusive practice among Tenderers (prior to or after Tender submission) designed to establish Tender prices at artificial non-competitive levels and to deprive the BMRCL of the benefits of free and open competition."

g. If the Contractor assigns, transfers, sublets (engagement of labour on a piece work basis or of labour with materials not to be incorporated in the work, shall not be deemed to be subletting) or otherwise parts with or attempts to assign, transfer sublet or otherwise parts with the entire works or any portion thereof without the prior written approval of the Employer.

46.3 When the Contractor has made himself liable for action under any of the cases aforesaid, the Employer shall have powers:

(a) To determine or rescind the Contract as aforesaid (of which termination or rescission notice in writing to the Contractor under the hand of the Employer shall be conclusive evidence). Upon such determination or rescission, the Earnest Money Deposit and/or full security deposit recoverable under the Contract shall be liable to be forfeited and shall be absolutely at the disposal of BMRCL. If any portion of the Security Deposit has not been paid or received it would be called for and forfeited.

(b) To employ labour paid by Employer and to supply materials to carry out the work or any part of the work debiting the Contractor with the cost of the labour and the price of the materials (of the amount of which cost and price certified by the Employer shall be final and conclusive) against the Contractor and crediting him with the value of the work done in all respects in the same manner and at the same rates as if it has been carried out by the Contractor under the terms of his Contract. The Certificate of the Employer as to the

value of the work done shall be final and conclusive against the Contractor provided always that action under the sub clause should only be taken after giving notice in writing to the Contractor. Provided also that if the expenses incurred by the Employer are less than the amount payable to the Contractor at his agreement rates, the difference shall not be paid to the Contractor.

(c) After giving notice to the Contractor to measure up the work of the Contractor and to take such whole, or the balance or part there of as shall be unexecuted out of his hands and to give it to another Contractor to complete in which case any expenses which may be incurred in excess of the sum which would have been paid to the original Contractor if the whole work had been executed by him (of the amount of which excess the certificate in writing of the Employer shall be final and conclusive) shall be borne and paid by the original Contractor and may be deducted from any money due to him by the Employer under his Contract or on any other account what so ever or from his security deposit or the proceeds of sales there of or a sufficient part thereof as the case may be. If the expenses incurred by the Employer are less than the amount payable to the Contractor at his agreement rates, the difference shall not be paid to the Contractor.

(d) Any excess expenditure incurred or to be incurred by the Employer in executing the works or part of the works or the excess loss or damages suffered or any may be suffered by the Employer as aforesaid after allowing such credit shall without prejudice to any other right or remedy available to the Employer in law be recovered from any moneys due to the contractor on any account and if such moneys are not sufficient, the Contractor shall be called upon in writing and shall be liable to pay the same within 30 days.

(e) If the Contractor shall fail to pay the required sum within the aforesaid period of 30 days the Employer shall have the right to sell any or all of the Contractor's unused materials etc. and apply the proceeds of sale thereof towards the satisfaction of any sums due from the Contractor under the Contract and if there after there be any balance outstanding from the Contractor it shall be recovered in accordance with the provision of the Contract.

46.4 In the event of any one or more of the above courses being adopted by the Employer the Contractor shall have no claim to compensation for any loss sustained by him by reasons of his having purchased or procured any materials or entered into any engagements or made any advances on account or with a view to the execution of the work or the performance of Contract, and in case action is taken under any of the provision afore said, the Contractor shall not be entitled to recover or be paid any sum for any work thereof, or actually performed under this Contract unless and until the Employer has certified in writing the performance of such work and the value to be paid as certified.

46.5 Provided further that if any of the recoveries to be made, while taking action as per 46.3(b) and/or 46.3(c) above, are in excess of the security deposit forfeited, these shall be limited to the amount by which the excess cost incurred by the Employer exceeds the Security Deposits forfeited.

46.6 When either party to the Contract gives notice of a breach of Contract to the Employer for a cause other than those listed under Sub Clause 46.2 above, the Employer shall decide whether the breach is fundamental or not.

46.7 If any information furnished by the Contractor is found to be incorrect at any time, the Contract is liable to be terminated for with and the security deposit is liable to be forfeited by the Employer.

46.8 Notwithstanding the above, the Employer may terminate the Contract for convenience. No Compensation whatsoever will be admissible on this account.

46.9 If the Contract is terminated, the Contractor shall stop the work immediately, make the Site safe and secure and leave the Site as soon as reasonably possible.

47 Payment upon Termination

47.1 If the Contract is terminated because of a fundamental breach of Contract by the Contractor, the Employer shall prepare bill for the value of the work done less advance payments received up to the date of the bill, less other recoveries due in terms of the Contract, less taxes due to be deducted at source as per applicable law and less the percentage to apply to the work not completed as indicated in the 'Appendix to Form of Tender'. Additional penalty shall not apply. If the total amount due to the Employer exceeds any payment due to the Contractor, the difference shall be a debt payable to the Employer.

47.2 If the Contract is terminated at the Employer's convenience or because of a fundamental breach of Contract by the Employer, the Employer shall prepare bill for the value of the work done, the reasonable cost of removal of Equipment, repatriation of the Contractor's personnel employed solely on the Works, and the Contractor's costs of protecting and securing the Works and less advance payments received up to the date of the certificate, less other recoveries due in terms of the Contract, and less taxes due to be deducted at source as per applicable law and make payment accordingly.

1.0 GENERAL

1.1 All the Indian Standard Specifications and Codes of Practice, currently applicable and updated as of date shall apply to the equipment's and the work covered by this contract. In addition the relevant clauses of the Indian Electricity Act 1910 and Indian Electricity Rules 1956 as amended up to date shall also apply. Wherever appropriate Indian Standards are not available, relevant British and / or IEC Standards shall be applicable

1.2 The list of standard & optional features supported by the upgraded control system will have to be submitted by the contractor with the tender for evaluation.

1.3 Materials to be provided by the contractor for incorporation in the work shall unless otherwise specified in the technical specification comply with their requirements of the relevant Indian Standard (IS) including errata and amendments read in conjunction with latest edition. The contractor may, however, at his own discretion provide and incorporate in the works such materials complying with the requirement of any subsequently amended or revised edition of the corresponding IS without any price adjustment of the lump sum or while pricing deviation.

2.0 SCOPE OF WORK

(a) Dismantling of existing MX6 Controller unit and associated assembly of Schindler Elevators.

- Removal of Dismantled Material: - All the dismantled material that is not being retained is redundant to BMRCL & the contractor agrees to take the subject materials elsewhere for use if any to him. Salvage value to be considered by the successful bidder and the net price quoted shall take consideration of reduction on account of this material. This Salvage value is to be included in the quote.

- All items that are replaced will need to be taken away from site within 03 days of its dismantling with prior information to BMRCL with the complete list of such items. Salvage value for all such dismantled materials shall be quoted in the BOQ and net contract price arrived post reduction of the same.

(b) Modernization / Upgradation of existing Control system of Schindler Elevators with latest Schindler scalable Controller system equipped with in built ARD (Automatic Rescue Device) interface control, shaft information system, interface board systems & associated mechanical and electrical Hardware / Consumables.

- The list of standard & optional features supported by the upgraded control system will have to be submitted by the contractor with the tender for evaluation.

- The operation of the contactors and interlocks shall be examined and it shall be ascertained whether all requirements laid down in the controller specifications have been met.

- The new controller unit assembly shall be wall/floor mounted, vertical, totally enclosed cubicle type with hinged doors on the front and/or the rear to provide easy access to all components in the controller. The cubicle shall be well ventilated such that the temperature inside never exceeds the safe limits of the components at ambient room conditions in the machine room. The controller shall operate within the supply voltage variation of plus 10% to minus 10% of the nominal voltage. The controller shall be complete with relay protection against the following:

  - ✓ Over current
  - ✓ Under voltage
  - ✓ Single phasing
  - ✓ Phase reversal
  - ✓ Earth leakage
  - ✓ Over voltage – 3Phase
  - ✓ Spikes & Surge

- New Control system panel shall be designed to meet the requirements laid down by the EN12015 standards relevant to Electro-Magnetic Compatibility (EMC).

(c) **Automatic Rescue Device**

- The newly installed ARD should move the lift to the nearest landing in case of power failure and single phasing during normal operation of lift.

BANGALORE METRO RAIL CORPORATION LTD. No. DE

- ARD should monitor the normal power supply in the main controller and shall activate rescue operation within 30 seconds of normal power supply failure. It should bring the lift to the nearest floor at a slower speed than the normal run. While proceeding to the nearest floor the lift will detect the zone and stop. After the lift has stopped, it automatically opens the doors and parks with door open. After the operation is completed by the ARD the lift is automatically switched over to normal operation as soon as normal power supply resumes.

- In case the normal supply resumes during ARD in operation the lift will continue to run in ARD mode until it reaches the nearest landing and the doors are fully opened. If normal power supply resumes when the lift is at the landing, it will automatically be switched to normal power operation and start from there instead of getting into correction mode and going to lowest floor.

- All the lift safeties shall remain active during the ARD mode of operation

- Audio / Visual alarm to be provided in car to announce ARD operation; voice synthesizer to make an announcement that lift is running to floor level on emergency power and to exit upon arrival.

(d) **Control & Power wiring**: All control wiring shall be of copper. All electrical wires and cables shall be low smoke emission and halogen free type (LSHF). The control wiring shall be laid out neatly and clearly in cable sleeves and all terminals and cables shall be labeled or marked for identification.

(e) **Earthing**: Metal frames and all metal work of the new controller frame shall be connected to existing earthing arrangement available at site.

(f) **RMS (Remote Monitoring System):** The new control system should be compatible with existing RMS and should be able to communicate with the RMS through standard protocol like MODBUS, LONWORKS, and BACNET etc.

(g) Post upgradation tests at site shall be conducted by the lift contractor to confirm the performance parameters in the presence of BMRCL representatives.

3. Temporary Alterations to Restore Service:

The Contractor shall undertake any temporary modifications necessary to maintain service. Any such modification shall be submitted for review by the Employer's Representative.

4. Communications:

The Contractor shall ensure that adequate communication facilities are provided to its staff during the Contract.

5. Location of Staff:

Competent people shall be made available in the headquarters (Bangalore) at all times.

6. Scope and hours of coverage

The Contractor shall provide a full 24 X 7hour **Basis service** and shall be such that initial within Two to Three Hours of Intimation and rectification of failure are in accordance with the following:

- Competent Representative of the contractor shall be made available in the work spot where defects are noticed along with relevant spares based on the faults intimated to the contractor by Owner's engineer within the time stipulated in the contract.

BANGALORE METRO RAIL CORPORATION LTD.

- Rectification work shall be carried out in a reasonable time.
- Non availability of spares/components required for rectification, non-deployment of representative and failing to put back the system in service will attract a penalty of Rs.5000 per day.
- However, in case of failures, faults shall be rectified within 5 hours from the time of intimation, failing which penalty at the rate of Rs. 5000/- per day of delay will be imposed.

7. Failure Investigations

The Contractor shall conduct failure investigations.

Disputes between Contractor and other Contractors will be resolved by the Employer's Representative.

The Contractor shall make available to the Employer all works and failure data as required

8. BREAK DOWN SERVICE:

The Contractor shall also undertake to provide a breakdown service whereby qualified Technical Personnel shall attend to each breakdown as soon as practicable after a breakdown is reported and carry out immediate remedial work at a reasonable speed according to the nature of the breakdown. Any faulty equipment or components shall be quickly replaced.

In circumstance such that the Contractor fails to attend the breakdown within One normal working hour after notification of the breakdown and where remedial work is interrupted during normal working hours for purposes other than obtaining replacement parts, the employer reserves the right to order such action as may be necessary to expedite completion of remedial work which shall be at the Contractors expense without abrogation of the Contractors responsibilities.

9. There will be a Minimum Guarantee of One Year for the Performance of Each Part/item, replaced during contract from the Date of such Replacement and in case of any failure of these components shall be attended to without any financial implications to BMRCL.
